

2023 WWPPA Tailgate Announcement

To All Wisconsin West Point Families:

The **Wisconsin West Point Parents Association** has hosted a tailgate party for over a decade for the Wisconsin Cadets during one of the fall games. This year, we have chosen the **October 28th** game against **UMass**. This is **Parents'/Family Weekend**, which is a great time to see your cadet. The weekend is filled with many family activities to make it worth traveling to West Point and reunite with our fantastic Cadets, provide them with a Wisconsin meal, and enjoy a football game. The tailgate tradition is a great event to support the Wisconsin Cadets. The students have enjoyed it, and it has been a memorable experience for all.

In the past, we have hosted over 50 Wisconsin Cadets, roommates, and close friends. We hope that this year will be another great Wisconsin Tailgate experience. Our tailgate area this year will be back at Daly Field, a perfect location next to the parade field. Families will want to watch the Corps in their "Pass and Review" on the Plain before the football game.

If you have been to West Point for a football game in the past, you know that you don't want to miss this event. If you have *never* attended a game at Michie Stadium then you need to make that happen this year!

Below you will find a sign-up sheet for this year's event. Again, we will be set up at Daly Field this year, right next to the Plain.

For those not able to attend we would ask you to consider a \$25.00 contribution per family to help us offset the cost for your Cadet, as all WI Cadets are invited to the tailgate at NO cost to them. Trust me, your Cadet will be well fed and well-loved during the event. Nothing like a taste of home to help get them through some of the challenges of Cadet life!

Regards, Amy and Craig Erwin-Cadet Tyler Erwin

Please volunteer to help at the Tailgate. We need people to:

- Help set up in the morning.

- Clean up after the tailgate.
